

PET FOOD RECALLS

Listed are several recent pet food recalls.

1. **The Honest Kitchen.** The Honest Kitchen is voluntarily recalling five lots of its **Verve, Zeal** and **Thrive** pet food products produced between August and November 2012 because they have the potential to be contaminated with *Salmonella*. Consumers with questions should call the Honest Kitchen at 1-866-437-9729.
2. **Kasel Associates.** Kasel Associates Industries is recalling all pet treats it manufactured from April 20 through September 19, 2012 due to potential contamination with *Salmonella*. Brands affected are **Boots & Barkley, Colorado Naturals** and **Nature's Deli**. The Kasel products are sold at various retailers including Target, Petco, Sam's Club and Costco. Consumers with questions should contact Kasel Associates at 1-800-218-4417.
3. **Nutri-Vet LLC.** Nutri-Vet LLC is voluntarily recalling its **Nutri-Vet** and **Nutri-Pet Chicken Jerky Products** because they may be contaminated with *Salmonella*. These products were distributed nationwide from April 2012 through February 2013 with Best By Dates ranging from April 20, 2014 through October 3, 2014. Consumers with questions should contact Nutri-Vet at 1-877-729-8668.
4. **Kaytee.** Kaytee is recalling several bird treats and greens items due to possible contamination of *Salmonella* from parsley flake ingredients supplied to Kaytee by Specialty Commodities, Inc. For a complete list of products consumers should contact Kaytee at 1-800-529-8331.
5. **Nature's Variety.** Nature's Variety has announced a voluntary recall of one batch of **Instinct Raw Organic Chicken Formula** because pieces of clear plastic may be found in some bags and could cause a potential choking risk to pets. The affected recall is limited to a single batch of Instinct with a Best if Used By date of 10/4/13. Consumers with questions should contact Nature's Variety at 1-888-519-7387.
